OBJECTIVES

Ambitious, career-focused job seeker, anxious to obtain an entry-level Software Developer position to help launch career while achieving company goals.

EDUCATION

Geethanjali College of Engineering and Technology   **Hyderabad Telangana**
B. Tech in Computer Science (IOT)   *Expected Graduation, May 2025*
CGPA: 8.2

PROJECTS

PEER-2-PEER   **June 2024- Current**
Tools: Django, Bootstrap
A web platform built for college students to share experiences, bring communities together, and empower their journeys.
Features:

- Compiled a comprehensive library of 30+ targeted learning materials for various placement tests, enhancing the onboarding process for new hires; this initiative decreased training time by 25% and increased overall candidate satisfaction ratings significantly.
- Alert system for new job postings matching student profiles.
- Dedicated spaces for different topics (aptitude, technical interviews, specific companies).
- Share interview experiences, ask questions, and get help from peers and seniors.

MENTORSHIP EXPERIENCE

Smart Coder | Smart Interviews   **August 2024 – Current**
Role: Mentoring over 100 students in the *Smart Coder* course, focused on data structures and algorithms.
Responsibilities:

- Actively mentoring peers in data structures and algorithms, providing guidance, support, and insights to strengthen their understanding and problem-solving abilities.
- Creating a collaborative learning environment to foster growth and help students achieve their academic and career goals in technical fields.

ACADEMIC ACHIEVEMENTS

- Executive Leader in National Entrepreneurship Network Club.
- Won 'Best Team Leader' award in National Entrepreneurship Network Club.
- Won 2nd prize in Idea-thon conducted by NEN.
